## **Handloom Sector in Andhra Pradesh: Current Issues and Challenges**

By

**Mohan Rao Macharla**

Mohan Rao has been actively organizing workers against the central and state governments' handloom sector policies from 1988 onwards. By mobilising the unorganised workers into a trade union "Handloom Labour Union", the demand for providing health care to all the handloom workers was consistently raised. He was a member of the committee on handlooms appointed by the planning commission of India (1999, 2000) and Development Commissioner of Handlooms, Delhi. He was also instrumental in organizing seven day international handloom Sector conference in Chirala in 2018.
